RE: Recision of Schedule Rating Plan Experience Filing
Requirement

Effective September 1, 2001, LIRC Bulletins 94-02, 94-04, and 95-02 are rescinded.

Insurance companies will no longer be required to annually file experience generated under Louisiana Insurance Rating Commission (LIRC) approved schedule rating programs. The LIRC and the Insurance Rating Division of the Louisiana Department of Insurance (IRD) reserve their right to request this information in the future.

If there are any questions, call IRD staff at (225) 342-5202.
